

Notice Inviting Quotations

Sealed quotations are invited within 24th July 2018 for the following instruments and ICs in the Physics Department Laboratories.

- 1). Angstrom's apparatus for determination of coefficient of thermal conductivity. -quantity - 2 units.
- 2). Flywheel set up with meter showing the number of rotations. -- 2 units
- 3). Spring constant set ups with mass slots -- 5 units.
- 4). ICs :- 7400-- 300 units ; 7402 -- 250 units ; 7408 -- 300 units ; 7432 --- 300 units ; 7473 -- 100 units; 7474 -- 100 units ; 7483-- 100 units ; 7486 -- 200 units.
- 5). Bread boards -- 20 units.
- 6). Coupling constant of piezoelectric crystal -- 1 unit.
- 7). PE hysteresis loop of a ferroelectric crystal -- 1 unit.
