### **CALL FOR PAPERS**

Considering the importance of Modern Approach in **Education, Instructional Studies, Gender Studies, Humanities, Psychology, Sociology, Law and International Studies** in today's world, it seems essential to embark on scientific global inquiries in various aspects. These fields are considered as one of the main areas of knowledge generation around the world. Accordingly, this International Conference will provide a unique opportunity for a wide range of academics and experts to discuss topics on novel research and discoveries in the related domains.

The aims of this conference is to provide and introduce the latest research results and practical experiences in various fields to enabling professors, researchers, experts, professionals and interested individuals to exchange the latest scientific achievements and methods with each other and the world. Knowledge sharing has always been recognized as the most practical way to spark up great enhancements in any kind of field. Throughout this event the challenges that this particular area of study is facing, will be thoroughly discussed as well.

The Organizer cordially invites abstracts and full length research papers for oral/poster presentation from all over the World. Together, these forums seek to create a space for the representation of any and all perspectives tack holders for holistic humane development. All contribution should be of high quality, Original and not published elsewhere or submitted for publication. During the review period,

Papers will be reviewed by eminent scholars in the respective areas. All Selected papers will be published as chapter's in edited book/ conference proceedings having ISBN and few high-end papers will be published in international Journal having ISSN which will be issued to authors on the day of Conference.
